

## Group 14 - Wednesday B240

### User Stories:

1. As a student, I want accessible notes so that I can excel in my classes
2. As a student, I want points when I upload notes so I can gain points over time
3. As a student, I want a menu so that I can switch between notes
4. As a student, I want a list of my classes so I can remember my classes
5. As a student, I want a camera so I can take pictures of my notes
6. As a student, I want a flag system so that I don't see bad notes
7. As a student, I want to be able to remove my notes in case I upload the wrong one.
8. As a student, I want a drop down menu of my personal notes so I can remember which one's I have uploaded
9. As a student, I want a zoom feature so I can read smaller notes
10. As a student, I want pastel colors so that it is aesthetically pleasing
11. As a student, I want sparkles so that I feel accomplished when I upload notes
